Period: \_\_\_\_\_

Date: \_\_\_\_\_

## Worksheet – Day 9

### Training Capsule 36: Add/Train Words

1. Dictate, proofread, save, and print any movie review. Staple after this worksheet.
2. Dictate, proofread, save, and print the “*My name is*” paragraph. Staple this selection after the movie review.

3. By adding and training words which level of corrections are you using?

---

---

4. The two options you have when using a troublesome word, or unique name are:

1. \_\_\_\_\_

2. \_\_\_\_\_

5. With the **Add Word** feature you must spell \_\_\_\_\_ any word, phrase, or name that is new or giving you difficulty.

6. To access the **Add Word** function, use the following steps:

---

---

7. If you don't need to spell out words letter by letter, you can simply say any word, phrase, or name using the \_\_\_\_\_ feature.

8. The train word function is used for common \_\_\_\_\_, \_\_\_\_\_ or
